"Manufacturing quality buildings and genuinely appreciating personal customer relationships", *that's just who we are!"*

September 24<sup>th</sup>, 2015

**Linn, Missouri (MO)**—CEO, Kenneth Miller, announced today, the official date of their 2<sup>nd</sup> annual Classic Buildings' open house. Locally owned Classic Buildings, a leading portable buildings manufacturer, based in Linn, Missouri, said today they will be holding this years open house at their corporate headquarters and production plant on Friday, October 16<sup>th</sup>, 2015 from 11am – 2pm. Its a promising event with a lot of surprises in store. The mainstage prize of this years event is hosting another free building giveaway. Tours are scheduled, along with a free building giveaway, yes another free building giveaway, but this time anyone who wants to enter must be present. If you're near Linn, Missouri, or have to make a hundred mile drive it may be worth your visit. If you're present and registered you could walk away a winner.

This years open house is planned for the public and friends to enjoy, everyone is welcome. The open house is scheduled for Friday, so that visitors can see the production of storage sheds and other portable buildings in

progress. Past experience shows, families love these tours. Not only is it educational, it gives Classic Buildings the opportunity to showcase their talent.

Key company team members are expected to be on site the day of the open house, to meet and greet guests, whereby free lunch is offered along with other special deals. Classic Buildings' officials expect this event to have a huge turnout, being that another free building giveaway is scheduled. To register for this event and an opportunity to win a free garden shed contact [kathryn@classicbuildingsales.com](mailto:kathryn@classicbuildingsales.com)

The back story on the free building giveaway is that it was built by a local high school organization, using Classic Building's instruction and materials, this building is now proudly being given away at no cost. This is not a building Classic Building's built, but it is a very nice building that has benefited many. Classic Building's is proud of this project and wishes to thank all of those involved.

More information may be released regarding this special open house, or to RSVP please email [kathryn@classicbuildingsales.com](mailto:kathryn@classicbuildingsales.com) or you can stay up to date by visiting the [Classic Building's](http://www.classicbuildingsales.com) website at: <http://www.classicbuildingsales.com>
